

Series Name: Imix / Track Spotlight

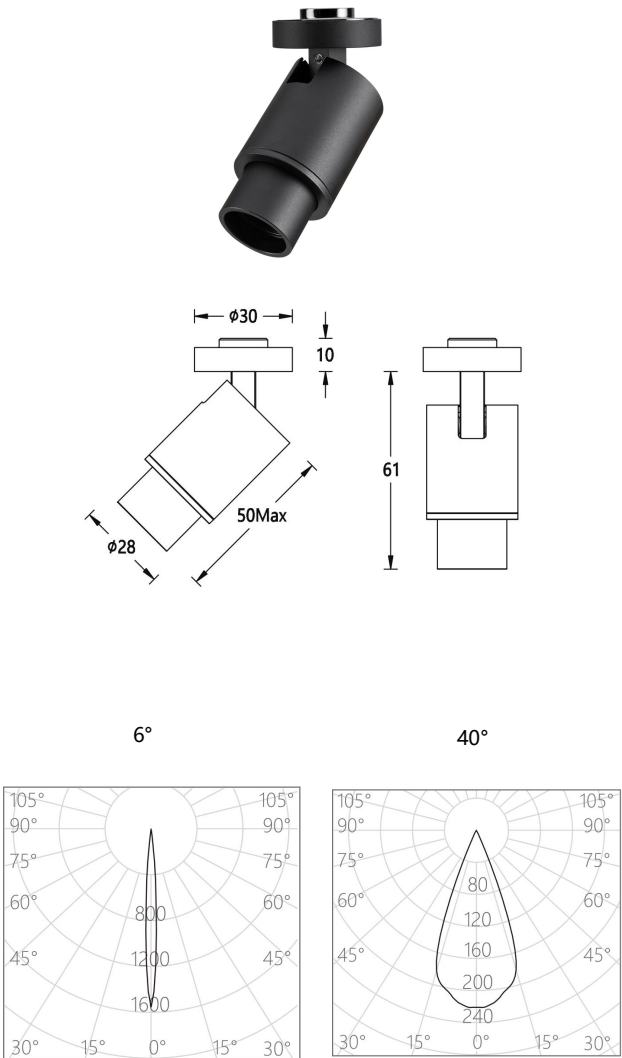

Project name:

Model No: MIX0103T

Location:

Specification

|                  |                                                   |
|------------------|---------------------------------------------------|
| LED Source       | : LED SMD                                         |
| CCT              | : 3000K/4000K                                     |
| CRI              | : Ra 97                                           |
| SDCM             | : ≤ 2                                             |
| Life Span        | : >50000h-L90/B10                                 |
| Wattag3          | : 3W                                              |
| Beam             | : 6°- 40°                                         |
| Input Voltage    | : DC 3V/700mA Max                                 |
| Installation     | : Magnetic surface mounting                       |
| Cut-ou5          | : 15mm                                            |
| Adjustment Range | : Horizontal 0° ~ 360°, Vertical 90°              |
| Material         | : Integrated aluminum alloy lamp body             |
| Finish and Color | : Anodizing/Anti-corrosion electrostatic spraying |
|                  | Oxidized Black (YB) /Matt White(MWT)              |
| IP Rating        | : IP20                                            |

Accessories Available

CE3.3A-24SH-D
